STATEMENT OF REQUIRED FACTS

1. Please use your full legal name. Should you go by your middle name, please underline it. If you are known by a nickname, you may include it in parentheses.
2. Please use a permanent address, phone number, and email address. THIS INFORMATION CANNOT BE CHANGED ONCE YOUR APPLICATION IS SUBMITTED. Correspondence regarding your application will primarily be through email.

LEADERSHIP DATA

1. Indicate the grade in which each honor, award, office, or membership applies (9, 10, 11, or 12). If the same honor/award was received in multiple grades, list the honor/award only once, but indicate all grades the honor/award was received.
2. Do NOT include nominations for any honor, award, or membership. For example, being nominated for homecoming king/queen or National Honor Society does NOT count. However, being elected/chosen homecoming king/queen or actually being inducted into National Honor Society does count.
3. Take care to list scholastic, extra-curricular, and non-school related activities in the proper section of the Leadership Data.
4. Do not duplicate memberships. For example, membership in band for grades 10-11-12 and elected band president for grade 12 yields two years of membership where no office was held (10-11) and one year of office/position of leadership (12). Selection for all-district, all-region, and/or all-state band is considered additional honors and awards and should also be included.
5. Do NOT include a resume or list of information as an alternative to completing the Leadership Data page. If more room is needed for any section of Leadership Data, please continue the information on another sheet of paper and place it after the application form in your packet. Make sure that no information is duplicated on the Leadership Data page and the additional page, if included.
